Re: In the Matter of Lower Passaic River Study Area portion of the Diamond Alkali
Superfund Site, Administrative Settlement Agreement and Order on Consent for
Remedial Investigation/Feasibility Study, dated May 8, 2007

Dear Sarah:

During a conference call among our respective technical representatives, it was suggested that a meeting be scheduled to discuss the path forward to complete the RI/FS pursuant to the above Administrative Settlement Agreement, in light of the issuance by EPA of the Record of Decision for the lower 8.3 miles of the LPRSA.

Please arrange a meeting to discuss the path forward for completing the RI/FS.

Very truly yours,

William H. Hyatt, Jr.
